

2006 RRCA National Volunteer Certificate Awardees

The success of the RRCA and its clubs and events is based on volunteerism. Since its inception in 1958, the RRCA has relied on the spirit of volunteers to carry out programs, find sponsors, hand-out water, work finish lines and many other necessary and important tasks. It is in recognition of these volunteers that the RRCA developed the Volunteer Award Certificates. Without volunteers our clubs and events would not be as successful at promoting grassroots running. The RRCA would like to congratulate the following individuals for 2000 hours of service to their clubs over the years.
