

Declined to be Evaluated or Did Not Respond(NonDisclosure)

These charitable organizations either have not responded to written Alliance requests for information or have declined to be evaluated in relation to the BBB's Standards for Charity Accountability. Charity participation in the Alliance's review is voluntary. However, without the requested information, it is not possible to determine whether these charities adhere to all of the Alliance's Standards for Charity Accountability. The majority of national charities contacted by the Alliance provide information and participate in the Alliance's evaluation program.
